We apologize for missing one of our Utah State University Graduates.  
Congratulations Tyson Brinkerhoff!

The EPA (Environmental Protection Agency), with assistance from UDEQ (Utah Department of Environmental Quality), will host two separate meetings. The US Magnesium Site public meeting will be held on Wednesday, June 18<sup>th</sup> from 6:00 p.m. to 8:00 p.m. at the Grantsville City Library. This meeting will be an open house format intended to provide general information and provide answers to questions from the public about their work at US Magnesium. The Community Advisory Group meeting will take place the following evening on Thursday, June 19<sup>th</sup> from 6:00 p.m. to 8:00 p.m. at the Grantsville City Library. This meeting is intended to be smaller and more focused than the public meeting, with participants from the community who are committed to meeting regularly over the long-term to discuss the details of the site investigation and cleanup.

The Utah Department of Transportation (UDOT) is scheduled to complete concrete maintenance on a 5-mile section of Interstate 80 near the state Route 36 interchange (Exit 99, Stansbury/Tooeele). Construction is scheduled to begin Tuesday, May 27<sup>th</sup> and be complete in early July. Construction will be performed primarily during daytime hours between 7:00 a.m. and 7:00 p.m., Monday through Saturday. Crews will work one direction at a time, and I-80 will be reduced to one lane as they work. Drivers should anticipate lane restrictions and occasional traffic delays during construction. For more information about this project, visit [www.udot.utah.gov/renovate-I-80/](http://www.udot.utah.gov/renovate-I-80/) or contact the project team with question or concerns by calling their 24-hour hotline at 855-528-9675 or emailing [RenovateI80@utah.gov](mailto:RenovateI80@utah.gov).
